A Change in the Wind....

As many of you already know, the Villa Maria has begun making some monumental changes beginning with the purchase of our facility by Westview Healthcare Center. Most of the changes happening at this point are "behind the scenes." However, it won't be long before we can all begin to see these changes and witness, firsthand, this exciting transition.

When witches go riding and
black cats are seen, the
moon laughs and whispers
'Tis near Halloween.

Resident, Dorothy S., gets ready for winter weather with a hat she crocheted.
