Did You Know???

Both men and women prefer to receive chocolates over flowers on Valentine's Day.

Around the Valentine season, a dozen long-stemmed roses can cost an average of \$75 or about 30% more than the normal price of \$58.

Hallmark provided its first valentine in 1913.

Caramels are the most popular flavors in boxes of chocolate.

The famous candy hearts were originally medical lozengers. It wasn't until later that their shape was changed to a heart.
