Did You Know???

February is the only month that can pass without a full moon. This last happened in 1999 and will happen again next year.

February (do you see that extra "r"?) is one of the most frequently misspelled words in the English language.

144 million greeting cards will be exchanged this year for Valentine's Day in the U.S. alone, according to Hallmark.

According to the National Confectioners Association, caramels are the most popular flavor in chocolate boxes, followed by chocolate-covered nuts, chocolate-filled, cream-filled, and coconut.
